“ I used to own a salon on Main St by her house, after I closed it she asked me to come to her house to do her perm. She loved her dogs so much you certainly could tell. She had 3 of them that sat around in the kitchen and at my feet. I went out there quite a few times from Clearwater and after I couldn't make the trip, I loved to see her postings on FB. I am so sorry for your loss, I thank God she was on my path of life, I'm honored to have those experiences! Stay Blessed, she shared memories of her family with me, She felt Loved by you all!
