“ So sorry for your loss, heaven has gained another angel who was taken far too soon. My fondest memories of aunt Gladys were at the Christmas parties where I used to sit and watch her sing and dance with her sisters with such grace. A beautiful lady with a beautiful smile. Aunt Gladys I hope you're resting now. Sending our deepest sympathy, love and prayers across the miles to you all. Jane Sturman & family ❤️

“ Gladys was my mother in law. I loved her very much. She always had great advice and taught me how to make chicken and dumplings from scratch (along with a lot of her other things she loved to cook). Just the way her son David liked them.. She showed me what it was like to have a huge loving family.I come from a very small family. I will miss her dearly. I will see you again one day momma love you💕💕

“ One of my favorite things about joining this family was to just sit and talk with Aunt Gladys. I just loved the way she talked with her "you know" and her "and all". I would give anything to just have one more of those talks. My favorite memory of Aunt Gladys was the time we took Myra to stay with her in North Carolina. She was so proud of the garden she had grown there that she took us around and showed us each individual vegetable and what she did to get it to grow. She was so proud of that garden. I will sure miss you Aunt Gladys, but I can only imagine what it must have been like to see your family that had gone on before you again. I love you!!

I can't believe the way this Christmas has unfolded this year and I I don't know the reason why things happen the way it did. But one thing I do know is how much my mommy loved you and worried about you Aunt Gladys and I guess she just wanted you to spend Christmas with her! I will miss you everyday as I have my mom but where I'll find a little comfort and peace is knowing you girls are enjoying each other as ya'll did so much here on earth!! My pain I feel in my chest will eventually fade away but all the wonderful memories I have of you as being one of my favorites never will! I love you so much and appreciate most of all the daughters you had that were like sisters I never had to me 💕 love you!!
