“Glen and I became friends in early grade school.
He was my best friend; and I, his.
Brothers by choice; for more than 55 years.

His family was like my own.

Most of my fondest childhood memories were because of the Calloways.

-Riding in the back of that old Datsun pickup or all of us piling into the Gremlin to go to the one of swimming holes (Aunt Janet deserves a Sainthood).

With all the cousins together we were a gang of 11.

-Lining up/drawing straws to see who went first for the Summer crew cuts at PawPaw's. First pass was down the middle.

-Days swimming/exploring down at Cedarkirk, Alderman's Ford or sharpening our "Frisbee skills" at the Springs. Walking the train tracks at Bruce's house, swinging out of the big oak onto the "Monster", races through the orange grove, not to mention the orange fights.

And the big Halloween parties were the best! With Paw Paw, Uncle Willis and Elmer, it was never boring.

My heart and prayers go out to you Jessie, David, Max and the rest of the family.

You all hold a very special place in my heart.

Thank you for letting me be a part of your lives and being a part of mine.

Much love,

John Sullivan

“ I loved you so much. You were my dear sweet friend for so many many years. I will miss your phone calls checking up on me and always telling me if I need anything you will always be there. Hard to find those type friends. My heart is broken.
