“ Bits I never forgot the nights we spent you making me tickle your arm or at the times it took both of us to walk that big Grate Dane you guys had. When you would hide by the stove and wait for Mom's biscuits to get done so you could snatch one for the walk to the bus stop. I am so sorry i didnt look harder then what I did. But I thank God that he did give this Childhood with you and the Memories I will Charrish for the rest of my life. I love you as i always have. Till we meet again. your Childhood friend Debbie Christian
