“ I was very saddened to learn of Glenn's passing. We worked many years together at Agrico and I am sure that I learned much more from Glenn than he did from me. We shared a common love of hunting and I was able to hunt with him at his Cuthbert, GA place several times, for which I am grateful. I spoke to Glenn on the phone early last month, for which I thank the Lord for the opportunity. Rest in Peace Glenn, You have surely earned it.

“ I'll always remember Glenn for his inspired and annointed teaching of God's word to our Training Union Class. Also when he and Nina came to North Carolina he would watch for my kitchen light to come on in the morning so he could come sit on my porch. He would usually say, "V, I'm on the porch. Come on out when you get your breakfast ready." I'll really miss Glenn and his telephone calls 2 or 3 times a week -- just checking on me. He is resting in peace.

“ *It was an honor for me to have worked with Glenn for several years during the 60's & 70,s at The American Agricultural Chemical Company. He was hard working, kind, good humored and very honest. Glenn was about ten years older and what he taught me has served me well. My thoughts and prayers are with his family.*
