“ Uncle Glynn was the sweetest, most loving man. He always had a smile and a hug for me and visited me often when I was in the hospital before he got sick. He was so precious to me and I will remember him til' the day I join him in Heaven. I know how much he loved his family and took care of and provided for them. He especially loved his wife and 3 boys. He loved his brothers and his parents dearly.

*Mr. & Mrs. Walls were one of my favorite customers at the bank. Always sweet and kind. Never a harsh word to me or each other. Admired them so much and deeply cared about them. After I retired I missed them alot. I thank you for allowing me to always be the one you came to. I will see you one day. All my love to this beautiful family.
