“ It was a blessing in my life to have met and loved Goldie, she was quite an amazing woman. I loved listening to her stories of her life, love of God and her family. I will always remember one summer many, many years ago, you all had come to PA for a visit and were staying with Dusty and Debbie and your Grandma wanted to make fried pies..I didn't know what they were or how to make them, so she had me sit by her and patiently and caringly showed me how. A good memory I will never forget! I think I'll make some just for her! You ALL are in my prayers, my thoughts and my heart! Love Ann

“ Grandma,

My heart is completely broken. I miss you so much already. I know that you are in a better place, but it just hurts so much. I will never forget the way you would sing and dance to the song, "I Love You With The Love Of The Lord" at our prayer meetings. You were an amazing woman and you always put God first. I know that you are with Him now. And I know that after 14 years of not being able to walk, you are now walking and dancing with our Lord and Saviour.

*I love you & miss you with all of my heart,
Melissa (Liz)*
