

Mr. Grady Harrell

April 22, 1923 - November 8, 2016

Grady Harrell, 93, of Plant City Florida, entered into eternal rest on November 8, 2016. Born in Bainbridge Georgia, he was a veteran of the United States Army Air Corps where he served in WWII. Grady fed his family, community and soul as a dedicated farmer and he took great pride in cultivating the land and his strawberries for most of his life. When he retired from farming, he devoted his time in the care of their flower gardens' and lawn which he kept meticulously manicured.

Off the farm, one of Grady's greatest joys in life was music. His favorite songs were those he sang and played on the guitar with his family. He is preceded in death by his loving wife of 69 years, Marie B. Harrell. Grady is survived by his children Tony Harrell (Debbie) of Plant City; Lucretia Stolzman (John) of Largo; Jerry Harrell of Plant City; Dean Harrell (Debbie) of Plant City; and Becky Buckingham (Keith) of Plant City; sister Audrey Simmons of Plant City; sister-in-law Ruby Harrell of Plant City; along with his 16 grandchildren and 18 great grandchildren whom he was very proud of and loved with everything he had.

Grady had a heart for kids especially those that needed support to find their potential. In lieu of Flowers, memorial contributions can be made to the West Plant City Boys & Girls Club. 901 S. Waller St., Plant City, FL 33563, (813) 707-8490.

A Special thanks to the dedicated, compassionate and caring staff at Solaris HealthCare Center, C Wing.

A memorial service will be held, Saturday, November 19, 2016, 3:00 P.M. at Dover Advent Christian Church, 14202 Downing St., Dover, FL 33527 with a reception in the fellowship hall after the service. Expressions of condolences at www.HopewellFuneral.com.

“ I've been a part of the Harrell Family now for 39 years and I can honestly say that I have been truly blessed to have two of the most sweetest, caring and devoted people to call my in laws. Its sad that their both gone and I no longer have Marie to have my long talks with and Grady to aggravate me, even though he did it out of love. Those moments will be missed. I love and will miss you both terribly but know that one sweet day I will again see your smiling faces in heaven. I know that your both rejoicing together and can't even imagine the beautiful smiles that you both have. I love and miss you more than words can express. Love your daughter in law, Little Debbie
