I will miss all of your jokes but most of all I will miss you. You always made sure to make me aware that the Gators has beaten my team for 34 years straight in football (Kentucky). “ *We are still in disbelief! I didn't know Greg for very long, but I quickly saw what a great man he was and how everyone loved him! What an honor to have known him! He was most certainly the life of the party and went out of his way to ensure that everyone else was having a good time. If I may, the two good things about this tragedy, is that he died with his loving and devoted wife at his side and in his most favorite place. You will be missed, Greg! Prayers for the Yvette and the family!
With all my love, Biker Deb.*

“ *Greg was always the one person who you could rely on to lighten up the mood at anytime. I can't ever remember a time when Greg complained about life because he lived life to the fullest. He wasn't a rich man monetarily, but he lived a rich life. I have many fun, wild, crazy and loving memories of this man from childhood to present that I will cherish forever. He loved his family dearly and we will miss him immensely. Greg, your memory will stay with me forever....*
