Dr. Guy Markley Jr., 75, passed away on January 24, 2025. He was a beloved Chiropractor in Plant City for 43 years. He always told us he was never going to retire. He is survived by his wife of 54 years, Judy; children, Robyn and BJ (Becky); 3 wonderful grandchildren, Jake (18), Lily (15), and Taig (14). Services will be held on a later date. “ My deepest condolences to his family! :(🙏❤️🔥💖❤️🌱🙏😭 Dr. Markley went to church with me at Sister Betty Jean Bates' KNOW THE WAY church on SR 574/ W. Reynolds across from the STRAWBERRY FESTIVAL. Additionally, I recall him once helping me by filling out paperwork to support my claims that I was an honest, able-bodied adult who was able to work and did not need or want disability (a very unusual situation as usually one fights to get on, not off). Lastly, both I and my mother, Anne Watts, remember his family when she occasionally taught Sunday School and also how Dr. Markley offered words of emotional and spiritual support after she was strong arm mugged many years ago. I know Guy was smart and dedicated, and -- speaking only for myself -- appreciate all the care many chiropractors have given me down through the years, and highly esteem the Chiropractic profession and treatment equally or even greater than traditional medicine. Thus, I was very surprised and saddened to hear he, himself, had encountered a fatal health issue. But, I truly have faith and trust Jesus to welcome him into heaven, and I / we remember that Jesus is trustworthy and faithful to help us, and his family, friends, and office staff, as we move forward and seek God's care and remember how Jesus, though human, also did not lose hope or give up, leaving us this example, and even beating death. We hold his family in our prayers, 🙏🤝🙏 and offer our deepest condolences.
