“ I have known Guy since 1992 through Maria, his wife. He was one of the kindest persons I have ever known, soft- spoken, even-tempered and just an overall really nice giuy. He will surely be missed by his family and friends.

“ *In our early years after moving from New York to Tampa we used to see much of each other and we visited him and Tita Anday when they first had their home in Plant City. Guy was a very pleasant person and had a great sense of humor. He was always willing to help others and you could see that he was caring as a husband and father to their children. He has lived an honorable life and will be missed.*
