“ Andy and family, I am sorry about the loss of your beloved mom and family matriarch. It is difficult to lose your mom, especially so close to saying your goodbyes to Sandy. Love and prayers to and for all the family.

“ Gwen was one of the 3 ladies who trained me as a volunteer at SFBH. It took me a short while to break through her "straight-laced, stoic" veneer. She was warm and funny at times. I admired her stance on policy and procedures that made the Auilliary what it was. I enjoyed working with her and swapping stories of days gone by. Will miss her terribly.
