“ We will truly miss your silly jokes, your early wake up calls and touring in the boat around the lake, but most of all we will miss your kindhearted, open and friendly smile. Thank you Uncle Randall for touching my life and my childrens' lives. But mostly for touching my fathers life. You have been such a major part of his life, best friend and the closest thing to a brother. I know he is truly heartbroken. Our prayers and thoughts are with your family, God bless you and keep you safe. Say hello to Ryan for us!  
Love forever,
