“ *The precious memories of Aunt Evelyn are many and all of them bring a smile. She brought joy and happiness to everyone she met. She instilled confidence in each of us. Her raspy laugh will always be remembered, along with her enormous heart and pure soul. May knowing that we will see her again and spend eternity with her and our Lord give us strength. Each of us is a such better person just for knowing her. I pray God’s peace for our whole family. Ralph and I wish that we could be there with y’all during this time, but know that we’re loving and praying for each of you in Georgia. What a smile she will put on Uncle Carl’s face! Love, Laine*

“ *My Aunt Evelyn was the sweetest person, I used to spend alot of time with her and my Uncle Carl when I was younger, we had the best times, we were always laughing and having a blast, no matter how bad we were, we never got in real trouble. Definetly a family lady, she wanted life to be fun and it was whenever we were together.* ”

“ My grandma was one AMAZING person. She had an impact on so many people in he life. All of my friends looked up to her as their own grandma. Blood couldn't make them closer to her. I remember her always being there at my Cheerleading competitions cheering me on. If we didn't get first place she always made me feel like we got first. All the girls and my coaches thought the world of her. This woman was not only my grandma she was my mother and my father along with her daughter (my mom) Evelyn Jean. They raised me up to become a family person, and I am definitely a family person. I am all about my family. I would have never thought that I would lose her so soon. I never thought that I wouldn't be able to have her with me to pick out my wedding dress and walk down the isle to the love of my life, and my best friend Mac . But I know in spirit she will be my side through everything. She's making sure that god don't give me nothing I can't handle . She was my rock and I respect so highly of her. I love you with all my heart grandma. Don't give up on watching over me and all your loved ones! rest peacefully and be happy, you are with the love of your life again. Together Forever!  
Love your Granddaughter Pammie Jenkins.
