“ Today, I went to my Great Grandfathers funeral. It was very nice to see all the people that came out, today to attend the funeral. It was very nice to see all my relatives I haven't met before. I just wanted to say thank you to my great grandfather, for being such a wonderful man, a wonderful grandfather, and I wanted to sat thank you for his service in the military, and for all the oatmeal cookies . But if you couldn't attend the funeral, no biggie. As long as you were a wonderful aspect in his life, he wouldn't care whether you came or not. But death isn't just a bad thing it is also a good thing, when someone dies at a old age, they have lived a full and long life. My great grandfather is probably as happy as can be with my great grandma, watching over us, and watching the great decisions we make, and the bad decisions we make and how we Learn to fix them. We all miss you, but one day we will all see you. Love you and rest in peace<3

“ Bruce, Linda and family,
We just want you to know how sorry we are
for your loss. There is peace in knowing that
he is right where he wants to be with his dear
Mary. I know he has missed her everyday
since her passing. God Bless you all in this time of sorrow.

“ Hardy was a very special person. His kindness showed all over his
face. Hard work was a way of life. Hardy didn't know selfishness or
anger. Never was there a sweeter man on this earth. Nothing broke
my heart quite so much as seeing the sadness that he lived with
after Mary passed. I know now that he is happy again and back with
his sweet-heart as they walk together in a field of tall grass with a
flock of some sort of animals following.

“ my grandpa was my favorite person in the world. he was my best friend, role model & hero.
He was the most kind hearted,unselfish person i ever knew.
he was the best grandfather I could ever ask for. it kills me that he isn't here anymore but I know he is in a better place,without suffering & with grandma now like he wanted & has all his memories back.god has gained one of the best angels and although he is gone i know he will still be with us watching over us.
I'm truly honored that I had the privilege of having him as a grandparent.
I love you pop and im sure gonna miss you!
