“ I had the awesome privilege of growing up with Bro. Baker and all of the Baker family. What a blessed example of what a Christian should be. My children, wife and I got the chance to visit and sing for / with him a couple of weeks ago. What a blessing to hear him sing one more time! God bless all of his family. Until we meet again!!

“ Harold was a great friend and father figure to me. He passed a huge amount of carpentry knowledge on to me that I will always be grateful for. And camping trips will never be the same without the bakers. Love you and surely will miss you friend. Greg.

“ Paw-paw will be missed! Though he was not my biological grandfather he played a huge role in my childhood and in many ways was a grandfather to me. He was a wonderful man that gave me many wonderful memories. Love you. RIP.
