“ *The last time I spoke with Daddy in ICU, he said three things:*

- 1. I love you.*
- 2. Honey in the Rock....(a favorite hymn) &*
- 3. I want to go home.*

That last one had a dual meaning...Dad wanted to be home with Mom, so he could be with her when he left to go to his heavenly home. God honored his desires, and he was cared for by Hospice at their home for 3 days and then walked into the arms of Jesus. He is irreplaceable, and we're so glad we'll meet him again in Heaven.
