“ I remember finding out as daddy and I pulled into your drive to join you and Harold for Sunday dinner along with, Kathy, Dave and Cindy Howard, that I had passed your house for years while working for a friend at their house thinking how pretty the red lilly's in the front yard were and how I would regularly see Harold on the riding lawn mower, of course not knowing it was Harold. Daddy and I love you and of course if you need anything, please let me know. God brings comforts and lifts our burdens in so many ways. Bro. Levi and Christy

I remember Harold best, from our time at Fellowship Baptist Church, when he stood next to the pianist and played his guitar. I'm' so sorry to hear of his passing, but know that he is enjoying heaven and re-connecting with so many loved ones and friends. Before long, we will all be there with him....thanks to Jesus! So thankful for the hope we have in Christ. Sending my love and prayers, Annette.
