“*Harry and Jeanette have been like family to alot of people. But being alone in Florida was very hard for me and I could always count on a phone call or a visit from them. I always knew they were praying for me and I felt their love. They loved the Lord and shared that love with everyone.*

“*My heart and prayers go out to Jeanette and family. May God wrap his arms around you and give you peace. Brother Harry was one of my mentors when I first started my walk with Christ and for that I am ever grateful. Take comfort that he is home in the arms of our Lord.*
