“ For two years, I got to start every day off with grandma... & of course, Justice... I couldn't be more thankful for the time I got to share with grands. She was so full of life and could brighten any room with her radiant smile & bright pink lip stick. You are forever with us! Sending all of my love to Mike & Amanda!

“ Precious Mike and Amanda, you will be in my prayers. Grandma, as she is known by many, was a hoot! As I think of her now I can't help but smile at the great stories told by my daughters. She touched many, but I'm grateful some of those times were spent with Hali and Sarah. She will be missed but never forgotten. God bless her soul and yours.

“ Grands, here I am at "the shop" in the same chair where I first had the pleasure of meeting you. I can see you waving to me from your cab at the curb just like it were yesterday. You have a very special place in my heart and my little sister's, too. Hali always had a hilarious story to tell me after her trip to Grandma's to walk Justice and after a few visits we found ourselves no longer clarifying which Grandma we were talking about, our grandma or Hazel, because we just kind of made you our grandma, too! You will be missed very much. I know you're up there watching over us...flossy as ever with your lipstick on. Love you, Grands!
