“ My thoughts and prayers are with the Hall/Bates Families. Last night, after the tears my husband Tyler and I reminisced Heather and Jarrett's wedding and how it was such a perfect day and that Heather was the true definition of a beautiful bride. We both remembered that as the first wedding we attended that really made an impact on us both, based on the sheer happiness and beauty of the day. I will remember Heather as a girl who always looked so put together and beautiful everytime I saw her. She was always smiling and always made me feel welcome and comfortable around her. God has gained an angel and her impact on Earth won't be forgotten.
