“ *A most beautiful and wonderful woman who loved her family so much! She was a loyal Mom and wife who always worked right alongside Keith whether painting building a horsepen whatever she was there. We will miss her so much. You were a precious one of a kind daughter in-law! Thanks for loving us and always letting us share in your girls lives. I don't know what tomorrow holds but as long as me and pop are alive we will be there for them. Rest peaceful in God's arms our precious Heather! We will see you again! Mom and Dad Lewis*

Heather was beautiful, kind, and thoughtful. She loved Keith, her girls and her family and Friends. My heart aches for everyone who loved her because I know how they feel. It hurts big time! I hope she's up in heaven dancing with her dad and smiling down on all of us. Rip my good friend Heather
