“ Linda and Family My deepest sympathies and prayers go out to you. I was very fortunate to have worked with Henry at Nitram back in the 70's. I had some great times with him. It's sad that we get caught up in our lives and don't get to see each other. I will remember the good times with him. Take care. Jim Sumrall###imported-begin##Jim Sumrall###imported-end##

“ Dear Henry will be missed so much. He was my dad's greatest friend for many many years. When I was little, we would go swimming in Henry's pool and spend the afternoon with him. Henry was always such a sweet man. It broke my heart to hear that he was sick and even moreso to find out that he has passed. He definitely touched all of our hearts. Rest in Peace Henry. I'm relieved that you're not suffering anymore. Xoxo, Heather Tolson (WD's oldest daughter)###imported-begin##Heather Tolson###imported-end##

“ My papa was by far the most incredible man I have ever had the blessing of knowing. He was such a cheerful and genuinely happy person. He always had a smile on his face before he became sick and even then he smiled through his pain when he was able to. I was fortunate enough to be able to see him every day as I was growing up and when I look back on my childhood he will always be a part of my most cherished memories. My papa was a very loved man and was cared about by each and every individual he knew. He loved my Nanny so much. If I am fortunate enough to have even a portion of the love they had for one another in my own marriage, I will be a very lucky woman. My papa will live on in the hearts of those who loved him. His memory will never fade and not a day will go by that he isn't missed. God blessed each and every one of us by allowing us to share part of his life with him. I will always remember his smile, his laugh and all of the amazing characteristics that made him the wonderful man that we will all carry on in our hearts.
