“ To Pat , Family and many friends.
Look to the Lord in this very trying time to find some degree of peace. We all will miss Lee greatly as he was such a great family member and friend to all who knew him.
I will always remember his friendship and the times we sat and just talked about different things. Lee was a very talented person that would help any and all. May he rest in peace.

“ Pat, Sherri, and Family...I have always admired Lee for being a true man of God, and living the example of what a devoted Christian man, husband, and father is supposed to be. I know God was pleased to welcome this good and faithful servant into His kingdom. Life won't be the same without his presence, but just know that he will forever be with you in spirit. My mother and I will always cherish our memories of him as our cousin. Someday, we will all have a great "family reunion" with him again. Until then, praying that God will give you comfort and peace in the days ahead. Love, Caroline, Kim, Bertie and family.

Pat, Sherri & family members, Lee Hutto will be missed, but he has a seat next to God and welcoming all who enter into the Kingdom of God! No matter "who" Lee met, you had a friend! I will always treasure the times I have been able to spend with Lee and Pat.

*Pat,
We extend our condolences to you and your family. Henry will be missed by us as many will who knew him. We are comforted by knowing he was welcomed home by Jesus with open arms. May you and your family feel the comfort of the presents of the Lord and may he heal your broken hearts in time and ease your grief.
Henry is special and over the years whether while on the Patrol, out in his strawberry field or at the annual strawberry breakfasts no matter how long it was that we did not see him when we did it was as though we never were separated by time or distance he was always the same. He was fun and easy to work with and shared fun times too. He always had a real smile for folks in an almost timid way. He had a great sense of humor and would laugh at himself at times in reliving past events while working on the Patrol. He had his serious moments but always handled them well all of which was part of his character that made him special. You both are alike in that respect and a good match with humble qualities that blended with friendliness that makes old friends and new friends feel good and at ease to be around you.
God bless you and your family

Ms Pat, Sherry, and family - we are so sorry for your loss. Bro Lee was a family man - both at home and at the church. His marriage was an inspiration to all of us. When I think about our church, I know you guys were the ones praying for more families so many years ago. He was truly a backbone behind the scenes. I know he is hearing those words "good and faithful servant". Ms. Pat, I can't imagine your loss right now, I will continue to pray for you in the months and days to come. We love you guys. Bro Lee will truly be missed.
