“ *Dear Ms Pardo, My name is Jackie Heller. I've only met you once or twice but feel like I've know you always. I worked with Susan threw out Ruskin and she became the sister I never had. Since Ruskin we parted but seen each other a few times and I miss her dearly. I am so sorry for your loss. I will pray for guidance from God to get you through this time of emptiness. You see, Susan was there for me when my Daddy was going through cancer and then God took him. I will never forget all the help Susan did for me and my family. Since my health has been going through it's goods and bads and I can't support your family as Susan did for me and I feel badly. I am truly sorry for your loss Ms Betty, me and my ma will pray for strength from God to help you and your family. Love Jackie*
