“ *My heart is hurting due to the loss of my nephew Cliff Edwards. I loved Cliff like my own son. We shared many times together laughing, telling jokes, and even crying . Cliff was a very special man. He loved to smile, laugh, tell jokes , and stick his tongue out at people. He had a huge heart and loved his family. He loved his boys and grandkids with all his heart. Cliff was not perfect as no one is, he was not rich but he was wealthy with love and respect. I'm going to miss our times together and the phone calls and talks we had. I hope you knew how much I loved you! No one can ever take your place in my heart. RIP my dear nephew that was so special to me. Enjoy your new life with momma and daddy up in heaven. Love Alqays, Aunt Karen !!!*

“ *Cliff had a wonderful personality and a caring soul. He always had a smile on his face. He was always respectful and courteous to others. It was always yes ma'am and no ma'am. His heart was so full of love for his family. Even though my heart is heavy I know you are in a better place. Rest in peace my dear nephew. I will never forget our conversations and the laughter we shared.*
