“ My daddy my heart is broken. I still can't believe your gone. You gave us girls and mom everything growing up. You worked hard to make sure we were taking care of. The memories will always be in my heart. Dad my mind still talks to you. My heart still looks for you. My soul knows you are at peace. I love you daddy. Always and forever. Stephanie

“ *My wonderful brother I will miss u texting me and us calling each other. You were a hard work man that bought your kids and wife everything they wanted in life. Enjoyed our salt water life together and working in field. Also the pool. I love u so much thank u for taking care of me when I was little.* ”
