“ My deepest sympathy to Joe and family. In the loss of Hilda. I worked with her way back at the National Bank of Fairhaven, Mass. she was the nicest, kindest woman I ever knew and she was fun! She had the best personality, always laughing and making everybody around her laugh. I lost track of her when I left the bank. I was very saddened to read of her passing today. Just thinking of her reminds me of her beautiful smile. I'm sure her grandchildren must have wonderful memories because I can't imagine a better, more fun grandmother. Mary Winterbottom
