“ So many memories that will always be treasured and so thankful that we were a part of the family even in a small way. Uncle "PAL" will always be remembered as a loving and kind man who our children thought fondly of. We know who his favorite was and how he loved his "RASCAL". They shared coffee, tractors, guns, and the love of corvettes... We had a lot of good laughs over the years, cried a few tears, and made life long friendships. We are so sorry for your loss and know how hard this is, so cling to your memories and find comfort in the love of others. Thank the Lord for the time you had with him and remember the good times. The Lord will be with you every step of the way, lean on Him and trust His plan for all of our lives.##imported-begin##The Mahoney's##imported-end##

“ I would like to send my condolence to the Chandler family. In times like this I reflect on the God's promise in John 5;28,29 of a resurrection of our dead loved ones. I hope this note brings you comfort at this time.###imported-begin##vanessaq##imported-end##
