“ Howard, I am going to really miss you stopping by and coming to my rescue with a part or advise when I would be working on a boat or engine. Wish we could share another one of Vicky's delicious sandwiches you loved so much. I know there were some airboaters in heaven waiting to welcome you home. Our hearts hurt for your family and especially your mother that you spoke so sweetly about. May God wrap his loving arms around her and your daughters. See you again one day! “ I am so sorry for your loss. I did not know Howard that well personally but felt I knew him well through my son, Keith (Hooter). Keith thought so much of Howard and took what happened to him and his death very hard. My thoughts and prayers are with the family. I know it is hard to lose a father but I can't image what it would be to lose a son. Maggie McClintock###imported-begin###Maggie McClintock###imported-end###
