“ Howard and Patrick along with my brother Kevin and I played city league Basketball while Howard's Dad, Earnest, coached us. We were all on the same team. Good times back in the day. We all went to school together also. Prayers for the family!!! Stephen Barta

“ Remembering you as such a young man. Camping, volleyball, softball but your most memorable trait was your infectious smile that made your eyes twinkle. Cookouts and pool time. Campfire talks. Rest In Peace! My sympathy to the family. Suzanne (Gomez) Branson

“ *Howard, "Howie" as we knew him was a roommate of mine for a time while stationed at Ft Riley. Howie was one of those guys that drove you crazy with how much of a big lug he was. We worked, played and suffered together with so many others in our "temporary" barracks that had been built in 1942.*

He was always a good friend, decent mechanic and all around great human being. I learned a lot in those years living and working with Howie. I hope that he could say the same of me.

We spent many late nights doing stupid things that young soldiers do but always took care of each other. I know he has left an indelible mark on those he met just as he did me. We didn't stay in touch after we PCSd/ETSd from Ft Riley but he will always be my brother!

Till Valhalla!!

“ SO many memories of Howard it's hard to pick a favorite! He was sometimes the brother I never had and sometimes the son I had yet to have, but ALWAYS family. Several fun times at the Holiday Inn in Plant City (if memory serves) watching Howard and Richard try to eat more crab legs than the other, then dancing the night away. Also lots of fun adventures during our NJ odyssey in the early 90s. I'll cherish those memories even more now!

“ *Anytime you were around Howard, it was always a special memory. He was Robbys best man in our Wedding, He was Robbys best friend. We all did so much together. He made Logan thus bycle helemt and put the nick name Pootie on it. He made Logan a wooden rifel that he still has. Logan remembers the time we went to Brooksville and they ran over a rattle snake and then Ya, Ya, that was Howards nick name for Logan. Well Logan said Ya, Ya came out and saved the day. Ya, Ya killed the rattle snake, An when I got back to the trailer, they had it skinned, cut up and breaded, ready to cook. Needless to say they had a feast.*
