A person that departs from this earth never truly leaves, for they are still alive in our hearts and minds, through us, they live on. Please accept my/our condolences, Howard will not be forgotten. Prayers uplifting for healing for this family. God will take care of this new Angel.

Marie:

Thank you for allowing my family and me to be a part of your life for the past 17 years. No words can express how important you both are in my families life. You will always be considered my children's adopted grandparents and Ayden's great grandparents. I will always have good memories of Howard, that I will carry with me for the rest of my life, and put a smile on my face.
