“ *I still can't believe that you're gone. I wait every morning for my phone to ring to have my daily conversation with you. You made me laugh, you gave me advice, and helped me through each day. I'm so happy so found the love of your life in Kim. There will always be an empty space where you should be. Fly high my friend, I know your are at peace and will be always with us.*

“ *Howard was my very good friend abd brother. I have been through really good times with him and also some low times with him. He became a very good man and a God fearing servant. I am proud to have known him and also have given him that ridiculous name the Duck. He meant the world to me. My buddy The Duck Master. (Dwayne Kennedy)*

“ You took a piece of my heart with you when you left us. We needed you here but God had other plans for you. I'm so proud of the man you became. You were strong enough to overcome so much... I am so proud of you! I was blessed to have you as a brother and share the memories I have of you that I will always cherish. There is a void in so many of us that will never be filled. You were special... You always had a positive outlook regardless of the situation and always managed to make me laugh because of your amazing personality. I will miss our talks and your advice. There are no words to describe the emptiness I feel knowing we can never share those conversations again. Keep us under your wings... You will always have a special place in my heart. I love and miss you dearly but I have peace in knowing you have no more pain, no more stress, no more obstacles to overcome that may have been a burden on you. Fly high my brother!!! With the upmost love, Franny❤️❤️❤️
