“ To me, she was and will always be Aunt Irma. I lived next door around 1981-82 and accompanied her and Mr. Garner many times to Pleasant Grove A/G. She was an amazing woman. I got to see her a couple of times as an adult, visiting her at her home on the church grounds. Introducing her to my children. I wish I had found the time to visit more. I remember many times, her sitting on her porch and letting me brush her hair as she sat in her rocker. She was a beautiful woman. I wish I had gotten to live nearby longer, I enjoyed playing Sunday School in her home instead of just school, learning the books of the bible. I moved away from her and the church for so many years but she was always near and dear to my heart. The last time I saw her was about 2009 or 2010, and my daughter was too young to remember her. I'm so happy that I have found a church and come back to God after so many years away. She was a blessing and light in my life. I think she would like the woman I have grown into.
