“ Was great living near My Aunt Audrey. I remember the boys .My brother George, cousins James & Terry running, playing all over the farm.

When they were hungry, the best place to eat would be a toss up between the three mothers, my mom Omega, Aunt Hazel or Aunt Audrey's Home's. The boys really wanted to avoid meals like liver & onions. However, the day did eventually come when all three mothers served up liver & onions That day all three boys went hungry complaining about liver & onions. The odds just didn't work in their favor. There were no physical boundaries . Homes & family were large.& fluid

On occasion I would decide that I was running away from home & going to live with Aunt Audrey. Her home was a nice escape from all my mean siblings She pinched my cheeks & told me I was soooo cute. LOVE YOU AUNT AUDREY, Mary Alred Roland

My Aunt Audrey was a strong woman. Every kid who was ever near her always got their cheeks pinched affectionately. My favorite memory is when she surprised my little sister June and me, Paula. We were little, maybe 5 or 6 years old. She gave us matching little bras and panties. They had hearts on the bras with lace and they were silky. One set was blue and one was pink. I think I had the blue set. We loved them so much we put them on right then. Everyone laughed. We thought we were beautiful big girls! It was the best.

*Thank you, Aunt Audrey

“ My husband, Calvin, and I knew Audrey as Mama "A". We did not see her often, but when we did it was always a happy experience. She was full of fun and laughter. It was a pleasure to be with her. She will be missed by her family and friends, but the memories of this dear lady will only grow more and more precious.
