*Absolutely beautiful memorial! I can only imagine how proud Jack would have been of it and his wonderful family for remembering him in such a special way. I never had the opportunity to meet him in person, but have visited him over the phone. He seemed very nice!. We both served aboard the Navy destroyer escort, the USS Spangler DE-696, but six years apart. But having walked the same deck, passed through the same hatch-ways, ate in the same mess hall, shared the same bunks and stood the same duty details -- you develop a brother-hood no matter when your were aboard. I consider him a shipmate and feel very sad over his loss!*

“ Daddy I will miss the precious moments that we shared together, the fun times at the dock fishing,sharing a glass of wine while we were talking about our day, singing karoake and cooking our catch of the day! The only thing that I would change would be that we could have had more times together. I definitely will miss our Wal-mart trips. Oh and yes going to the garden!!!! I love you and I am comforted knowing that you are with Our Jesus!!! ❤️😘💋 always 💋
