“ My Dad was one of the closest friends I've ever had. I would like to share with you a little bit of his last day on this earth. Dad shouted out to the Lord "Lord shine your light up on me" and had some of his favorite foods for lunch including oranges, tomato juice, eggs and good ole' cheese grits. I know he went in peace and with a satisfied tummy. I take pride in Thanking God he gave me you. You are now in a better place and your memory will be a treasure that I will cherrish until we see each other again. Dad, I thank you for being an inspiration and showing your love for Jesus. I love you and will cherrish your memeories until we meet again. May you rest in peace.##imported-begin##Sandra Handley##imported-end##
