

Ms. Jackie Braswell Kendrick

March 29, 1947 - June 5, 2017

Jacqueline “Jackie” Braswell Kendrick, 70, of Plant City, Florida, peacefully passed away at South Florida Baptist Hospital on June 5, 2017. Jackie retired from IMC Global, Inc. with 25 years of service as a plant supervisor and the first woman hired in the phosphate industry to work outside the office in a mine. She is survived by her sister, Patsy B. Holley and her husband George, nephews Benjamin Wilson, Michael Wilson, Mark Wilson and wife Robin, James Holley and wife Lena, Gene Burtz and wife Pamela, Fred Burtz and wife Chris, Julius (Sleepy) Burtz and wife Connie; a niece Melanie Wilson, a stepdaughter Judy McNabb, several grandchildren, and many grand-nieces and grand-nephews. Jackie was preceded in death by her husband, Daniel B. Kendrick, her parents, Ledford Patton Braswell and Minnie Myrtle Chisholm Braswell and a brother Michael Coleman Braswell. Jackie requested cremation and no service. She asked her ashes be spread on the Blue Ridge Parkway in her beloved mountains of North Carolina. Instead of flowers, donations can be made in her honor to the Myasthenia Gravis Foundation or your favorite charity. Care provided by www.HopewellFuneral.com.

“ Jackie Braswell, my friend. We were friends many years ago. I cherish the times we all played Rook, laughing about the most stupid things. Your friendship remains in my heart always. You are now with your mother, father and husband and I couldn't be more happy for you.....BOBI
