“ Jackie was so much like my father, and I've thought often how my dad (Jackie's uncle) and Jackie, never said a bad word about anybody. Two of the kindest and most caring people I have ever known. They truly lived to please God, and be an example of what was good and right. I was honored to be your cousin, and feel privileged to have known you. Love you lots. Marsha Passmore

“ We remember Jackie from New Hope Worship Center when the church met at the Mahoney Street location. We enjoyed visiting with Jackie and Steve at the Pippins Care Group meetings. Jackie's expression of love to me was especially memorable and heartwarming when I was fairly new to the congregation. May God be with the Sikes family in a special way during this time. With love from Jean and Marty Palmer
