“ *My heart is broken. What a beautiful woman you have been in my life. You weren't just my mother-in-law, you were my friend and I was so very blessed to have your family as my family, also. What an incredibly strong woman you have been throughout your life and I look to you as my example. I've lost my second Mom and I love you so much. Thank you for embracing me, finishing up my raising, and for loving me like your own. You are greatly missed beyond words.* ”
