“ I was a mutual of jakobs, we sadly had very limited interactions but in those interactions he’s managed to change my life in many ways. He was best of friends with my very close friends and seeing a year later how his absence has affected those around him is very saddening. I hope he is resting peacefully.

“ Jakub and I were mutuals on TikTok. He's the reason I started playing guitar and skateboarding. I was wondering why he hasn't posted in so long and discovered that he has passed on. My heart aches as if he were a close friend. Rest Easy Jakub!
