“ *Dad, 18 days!!! We were all so excited. 4 generations all together. I know in my heart your sitting on a river bank with your toes in the sand catching 🐟 left and right. I'm so going to miss our daily phone calls, they meant the world to me. I wish heaven had a phone. This is not goodbye. My day was the same as usual. I'll tell you all about it when I see you again. Until then breaker, breaker 10-4 this here's the rubber ducky. Love! Kev*
