“ *bettye hugs and kisses . i will never forget the great times i had with you and jim all the laughter and the fishing trips. he is a great and beautiful person and is loved by all. take care of yourself love you robin Do not stand at my grave and weep I am not there; I do not sleep. I am a thousand winds that blow, I am the diamond glints on snow, I am the sun on ripened grain, I am the gentle autumn rain. When you awaken in the morning's hush I am the swift uplifting rush Of quiet birds in circling flight. I am the soft starlight at night. Do not stand at my grave and cry, I am not there; I did not die.##imported-begin##robin dann##imported-end##*

“ *Betty & family, May God be with you and give you strength during this sad times. I know your pain, as my husband, Joe, died two years ago of a massive heart attack. He was gardening in our front yard; no warning at all; gone in 7 seconds. Somehow we manage to accept what we cannot change but it is a long process. God bless you all.
