“ Connie & Family,

We were devastated to just hear of Jim's passing. Jim was such a great guy and business associate too. We always had a great time getting together bi-monthly on my sales visits at his store in Gainesville for perhaps over 20 years. I just loved his so very dry direct humor he exhibited. We additionally went out annually at his restaurant dealer association meetings to celebrate no matter what state or location we happened to be in. I was honored to take him out when he was selected by his peers "Dealer of the Year". He always made time for me if it was just a cup of coffee and a short visit. We will miss Jim a lot. My prayers and thoughts are with you and your family.

“ Was a classmate of Jim Beaty at Plant City High School. We were in Chemistry class together. He was a very good student and a very competitive athlete. I always admired his ambition, his infectious energy and strong work ethic. He was real role model in the way he conducted himself. He worked so hard to succeed in life I admired him so much for that. I know he will be missed greatly by his family and loved ones.

“ While we already missed our weekly interactions with Jim upon his return to Plant City, I subsequently enjoyed having occasional lunch with him at Sonny’s here in Gainesville to reminisce. Jim made significant contributions to Trinity United Methodist Church in Gainesville, his weekly presence in the Dunkers Sunday School class for couples, his "deep fryer wagon" at its parties, his service as an usher for several years, AND his major input in he design and construction of the kitchen facilities upon Trinity United Methodist Church’s move to the new 53rd Avenue campus. All with a smile. Maarten and Joan Drost

“ *I will never forget how excited I was to go see Connie and Jim's first home as newlyweds. We got in the car, drove around and ended up across the street from my parents house. Good neighbors. Jim was always great about coming to plant city for our youth group reunions all the way from Gainesville. What a great husband. Sandy*

I am so sorry to hear of Jimmy's passing. He and i shared a special friendship during our elementary school days. He was a good friend always. I remember his wonderful sense of humor. I am glad to read he had such a good life and loving family. My condolences to all. I wish i lived close enough to attend the services.
