James will live on in the hearts and minds of his family and friends for many years after his passing from this life. Our condolences to his immediate family. Times like these bring what seems to be unbearable grief to the heart, yet at the same time the mind is flooded with cherished memories. It is the joy of having those great memories that will eventually help you to overcome the grief of having lost a loved one. May God Bless You all.

“ Rest in Peace Mr. Calhoun. You always made my day when you passed by and waved and smiled. I knew your were thinking of my dear beloved Brother Carl when you were waving. Maybe you two can share more war stories now. Prayers for peace and comfort for your loving family.
