“ Jimmy was president of our senior class at Pinecrest High School, class of 63. I will never forget the day we were in Mr. Pendleton's class and making decisions regarding our senior activities. One was to chose a motto. We came up with a statement that included God in the wording., A fellow senior made a comment, and said "What does God have to do with it". All of us were in shock and total disbelief. Jimmy stepped aside as President and addressed the group by taking a firm stand on what God had meant to him. Throughout his life, Jim continued to take a stand for our Lord.

“ I am shocked and saddened by this news. As a Florida Tile distributor in St. Louis, MO we have known Jim for many, many years. He represented the very culture that made Florida Tile a great company and a very important business partner for us. There was never any question that if we had a need, Jim was there to make sure we were taken care of. His great smile and wonderful attitude went a long way to help bind the relationship of us personally and well as our companies. I know he will be greatly missed. Our deepest sympathies to his family - please remember him as the very great guy that he was.

“ Jim and Brenda and their boys were a part of our church family at Yeomans in Plant City for many years and we grew to appreciate Jim's dedication to be a real Christian brother in the faith. . I remeber his remark on raising kids "Consistently, thou are a Jewel" and he practiced this not only as a parent but in all his endeavors, work and play. I am so glad we shared a taste of what fellowship will be like in heaven as we worshipped with him and his loving wife, Brenda. Her Dad was Pastor of the flock and our growth under Pastor Wayne's leadership into things of the spirit will always be one of my finest blessings. See you soon, Jim , meantime look up Charlie and say hello for us.

“ Although I hadn't seen Jim in many years, he was my Sunday School teacher when I was in college in Lakeland. He was a great teacher, a Christian, and a friend. I still remember him inviting all of the college students who attended his Sunday School class over to his house for Thanksgiving dinner, and we had a wonderful time. My heart and prayers go out to Brenda, Daniel, Timothy, and the rest of his family. He will be missed, but we know we will see him again in a place where there is no sickness of death, thanks to the grace of God through our Lord Jesus Christ.

“ Jim was a very fine Christian man. Most of the time church board members are not also friends with pastors, but he was both to me. Brenda and Jim will always have a spot in the heart of their former pastor.

“ When Jim started at Florida Tile as a production supervisor in the late 60's , he was not only my boss but a true friend. We shared 44 years as co-workers, with him giving me leadership and directions for many years. He always reminded me that we were the country hicks (him from Pinecrest and I from Turkey Creek) I knew Jim as a friend that was always there if I needed to talk, one that would take the time to call to wish you a happy birthday. He had a great love for his family and often shared their pictures. I will miss the emails we shared since retiring and his visits to Lakeland when we would have lunch at the Silver Ring. I feel blessed and honored for the friendship we shared. My heart is with Brenda , Daniel , Timothy and rest of family in the passing of Jim , taken so young. May you take comfort in knowing that the Lord has taking him home.

“ Jim was a co-worker at Florida Tile & a true friend for over 40 years. He was a special person, dedicated to his family, his faith, his job, & his many friends he met along the way. I will always remember his zest for life, his love of sports, especially the Bucs, the Gators, the Magic & the Lightning, & the many times we were able to discuss all of the above & more. I feel blessed that I was able to have a good conversation with him when he first came home from the hospital. Jim was one of the best persons I ever knew, & I will truly miss him. My heart goes out to Brenda, Daniel & Timothy & the rest of the family. May God comfort you in this darkest hour. Jim, old friend, may you rest in peace until we meet again.

I remember Jim's Sunday School class at Keysville A/G back in the 1984 when I first started attending there. He was such a friendly, kind and respected Brother in the Lord. He made my husband Larry and I feel so at home. Jim and Brenda his wife was such special people, they loved opening their home to others and made you feel right at home. My heart goes out to Brenda, Daniel and Timothy and all the family with the loss of Jim. I know Jim is with the Lord and he will be so missed.
