“ *We want to express our sincere condolences to Laura, Mylisa and the entire family who loved Don so very much. Don was always such a kind, gentle man who always seemed to have a smile on his face. Don loved his family more than anything in this world and he set such a fine example of what dignity, grace and love truly meant. Our hearts and prayers are with the family now and we pray that Don is at peace. We love you and will miss you Don.##imported-begin##Polly and Marty Simpson##imported-end##*

“ It's been awhile but you knew that you were in my thoughts and prayers each and every day. The memories are many. "Our Team" the best in FL. Not only were you a boss, you were a friend. Through good times and bad you were there. I'm sorry to say that I can't be there to say goodbye, mom is not good, but I'm sure you know that I will never forget you, the best of the best. Laura you know I know what you're going through and the loss won't fade away anytime soon but know that God is a Good God and will be with you always. Hold onto the memories, they never go away. Don is a "special angel". God Bless you.##imported-begin##Sandy##imported-end##

Never got to keep up with him since our retirements but knew of his illness through other employees and was praying for him. Don was a special person and always joke with me. So sorry for all of you of this loss and void in your family. My prayers go out to you and your family. Jemma DiDia, retiree of State Farm and worked with Don around 17 years.
