*Imagine yourself as a living house. God comes in to rebuild that house. At first : perhaps you can understand what He is doing. He is getting the drains right and stopping the leaks in the roof and so on: you know these jobs need doing so you are not suprised. But presently He starts knocking the house about in way that hurts abominably and does not seem to make any sense. What on earth is He up to ? The explanation is that He is building quite a different house from the one you thought of- throwing out a new wing here, putting on an extra floor there,running up towers, making courtyards. You thought you were being made into a decent little cottage; but He is building a palace. He intends to come and live in it Himself. --C.S.Lewis, Mere Christianity : Parabola Magazine 2011 Jimi we will miss you deeply, and we will always keep you in our thoughts & prayers<3 We'll see you on the other side .*
