

Mr. James Woodsen Hays

April 23, 1937 - January 12, 2021

HAYS, JAMES WOODSEN, 83 of Plant City, FL, passed away on Tuesday, January 12, 2021. James (Jim) was born in St. Petersburg, FL on April 23, 1937, the son of William Lawrence Hays and Victoria Elkins Hays. Jim was a man of perseverance, wit and personality. Jim will always be remembered as being handsome with an incredible sense of humor. His natural intelligence and curiosity led him to overcome poverty and become an entrepreneurial man pursuing many businesses over a life time. Also, Jim had a voracious love of reading, writing, politics and sports. And, his love never wavered from God, Family and Country. Jim graduated from St. Petersburg High School in 1955, received a football scholarship to Hinds Junior College in Raymond, Mississippi, transferred to Millsaps College the second semester of his freshmen year and wound up graduating from the University of Florida with an Industrial Engineering Degree in 1961. Jim was the first person in his family to receive a college degree in which he went on to get his Masters in Business Administration and Accounting from the University of South Florida. Jim was an alumnus of Kappa Sigma Fraternity and served as President while he attended UF. After Jim graduated from the University of Florida, his first job was with IBM for seven years. Next, he went on to form his own computer service company which was called Professional Computer Management (PCM). Most of PCM's clients were CPA's. Upon selling PCM, Jim became a consultant for a chain of convenience stores based in Orlando. They asked him to join them as the CFO, and he wound up owning some gasoline stations

in Polk County. Once Jim dissolved his last site, he decided to be a full time CPA/CFP and started his own business in August 2012: Hays and Associates LLC in Plant City. Jim was revered by his staff and clients. He often talked of how fond he was of them all and considered them some of his best friends. Jim was a renaissance man. He often stated that he could never imagine NOT working.

Jim was active in his community; he was a member of Kiwanis, Elks Club and served as President of the Greater Davenport Chamber of Commerce. He was an avid sports fan of the Florida Gators, Buccaneers, Lightning and Rays. Jim is survived by his wife of 45 years, Cheryl Hays, mother of his children Coralee Hays, children Tracey Hays Sullivan (Bob), Terry Hays Blackard (Alan), Steven Hays (Katherine), Julie Hays, Darren Smith, Deanna Smith Padgett (Nick), and beloved grand children Scott, Jessica, Nicholaus, Morgan, Aden, Theo, Ainsley.

“ *Jim was such a jovial guy and we had so much fun and so many laughs during the Trump boat parade. A Patriot that loved our Country and believed in the goodness of life and love! And he loved his kids in a very adoring and doting way! We will miss you Jim, but all of us that love God and Jesus know that we will see you again in heaven. God Bless you brother.*

“ *Many years of great memories. We were both gators who loved Gator football. We used to attend the games together until we got too old to drive to them. we opted for Hooters who gave us three big screen tv's and put the gators on the middle, which ever ones we wanted on each side. Last saw him in October and we would meet for the next one. He called and told me of his sudden illness and hoped he would recover enough to then do the following game. Just did not recover. So darn sad.*

My heart is heavy for all of you. All of my memories of Jim are so funny and thinking about all the good times we had years ago. I am so glad I got to see him 2 years ago at Tracey's home. I hate to think what is going on up there with Jim, Barker and Nick!!! My love to all of you.

My heart is still hurting but, I had the best Father in Law a man could ever ask for. It was my great fortune to marry a woman that had such a wonderful Father that I could call him Dad and it felt real. I will miss my friend, (Dad) more than anyone will know. Heaven truly has a new Angel.
