“ James/ JD was his given name however he will always be “Buck” or Buckshot to me. He was a wonderful man, husband and dad to Mary Lee and Kyle. I will always remember how he always included me in family gatherings at there home in Plant City. Buck treated me like one of his sisters-in-law. One of my most memorable trips was when he took me, Pat and Mary crappie fishing on the lake, he was the most patient man to put up with us telling him where to put the boat so we could catch the big one!
My love and prayers always, Tanya Llano

“ My families prayers go out to JD’s family. I was blessed to get an opportunity to work for him as a welder during his time as a Roadmaster. He was a great railroader and genuinely cared for the employees in his charge. Rest easy JD god bless

“Buck was my brother-in-law, but more like a brother to me. I have so many wonderful memories and good times with Buck to hold in my heart forever. He loved his family and we all shared our holidays and vacations together. Buck introduced me to my husband Guy 42 years ago. Buck never met a stranger. He was very outgoing and friendly to everyone he met. His loss is devastating to all of us. I know he is in Heaven now and will be free of pain and suffering. God bless and keep you Buck. We will miss you so much.

With our love, Shirley and Guy Ratcliff

I'm sorry to hear of the passing of "Buckshot." I knew him many years ago but thought very highly of him back then. It sounds as though he continued to be a well-respected man. May he rest in peace.
